

Valmont Announces 2023 Investor Day Event in New York City

March 22, 2023

OMAHA, Neb.--(BUSINESS WIRE)-- Valmont[®] Industries, Inc. (NYSE: VMI), a global leader that provides vital infrastructure and advances agricultural productivity while driving innovation through technology, today announced details for its upcoming Investor Day at The New York Stock Exchange (NYSE) in New York City. The event will be held both virtually and in-person on Tuesday, May 23, 2023.

Stephen G. Kaniewski, President and Chief Executive Officer, and Avner M. Applbaum, Executive Vice President and Chief Financial Officer, will be joined by members of the Company's executive and senior management team to provide an in-depth overview of the company and business segments, including growth strategies, capital allocation priorities and financial objectives.

A live webcast of the presentations, including two question and answer sessions will begin at 9:00 a.m. Eastern Time and will be approximately a half-day event. Virtual registration can be accessed from the [Valmont 2023 Investor Day website](#). A replay of the webcast will be accessible shortly after the conclusion of the event.

Due to space limitations, in-person attendance is by invitation only and advanced registration is required. If you are interested in attending or have questions to submit, contact Renee Campbell, Senior Vice President, Investor Relations and Treasurer at investorrelations@valmont.com.

About Valmont Industries, Inc.

Concerning Forward-Looking Statements

This release contains forward-looking statements, within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are based on assumptions that management has made in light of experience in the industries in which Valmont operates, as well as management's perceptions of historical trends, current conditions, expected future developments and other factors believed to be appropriate under the circumstances. As you read and consider this release, you should understand that these statements are not guarantees of performance or results. They involve risks, uncertainties (some of which are beyond Valmont's control) and assumptions. Although management believes that these forward-looking statements are based on reasonable assumptions, you should be aware that many factors could affect Valmont's actual financial results and cause them to differ materially from those anticipated in the forward-looking statements. These factors include among other things, the continuing and developing effects of the pandemic including the effects of the outbreak on the general economy and the specific economic effects on the Company's business and that of its customers and suppliers, risk factors described from time to time in Valmont's reports to the Securities and Exchange Commission, as well as future economic and market circumstances, industry conditions, company performance and financial results, operating efficiencies, availability and price of raw material, availability and market acceptance of new products, product pricing, domestic and international competitive environments, geopolitical risks, and actions and policy changes of domestic and foreign governments. The Company cautions that any forward-looking statement included in this press release is made as of the date of this press release and the Company does not undertake to update any forward-looking statement.
